

G1 Series™ Kit Form Solutions

For Series Progressive Metering Systems

Lubricate equipment while working

Automate Your Business

- Out-of-the-box lubrication kits with everything you need for installation
- Consistent Performance
- Continually monitored on-board lubrication regardless of length of operational schedules – 24 hours a day, 7 days a week, Graco can lube it.
- Equipment Cost-Savings
- Protect your equipment from contamination, over or under lubrication and mechanical failure caused by improper lubrication.
- Predictable Maintenance
- Allows longer time between scheduled maintenance to keep your equipment working on the site.
- Safer Operation
- Avoid breakdowns on the job site and schedule equipment repairs and regular maintenance in the shop.

Ordering information kit: 24X002 Includes;

- Market leading G1-Plus lubrication pump 24vdc
